Reasons for comment:	
Comments:	This is absolutely ridiculous! There is a large park frequented by a lot of local children, there is also a primary and secondary school within 300 metres of the proposed McDonalds site. When the government are trying to reduce obesity, you are considering a third McDonald's within a mile radius. The traffic will be awful. The rubbish will spill onto local areas including the park and playground. It is already difficult to drive to Gravesend due to heavy traffic. This is going to bring in more traffic, more pollution and be dangerous for children crossing, walking too or from school with increased traffic. This will be appalling if GBC approve this. The town has been ruined enough over the past 10 years.

Kind regards
