Reasons for comment:

Comments: I wish to complain in the strongest possible terms about any development on the above site. The village is busy enough as it is and we just can't take anymore housing. Many people moved to Higham because it was a village but it now seems like a small town. Also we have the development of the Nuralite site at the bottom of the village and all the extra traffic that will entail. I'm old enough to remember Strood Rural District Council when the village really was 'rural'.

Kind regards
