| Reasons for comment: |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Comments:            | <p>I don't agree that a fast food outlet should be situated in a residential area. Wrotham road is already extremely busy, we don't need more traffic encouraged to use it. Also the parking is a big problem for this part of Wrotham road. We have to dodge vehicles parked on the path near the woodlands and the park now. Concerned about possible antisocial behaviour brought to the area. Could see an increase in rubbish on the street and in our front gardens. Will be an issue if the council doesn't consider rubbish to be their responsibility. I'm worried about the bike delivery riders that sit around takeaways. Hope they don't use the pavement just to avoid the very busy roads. Impact on school children nearby and walk past who are being encouraged to eat more healthy food. Living so near I am concerned about noise and pollution emissions. Hope this won't destroy the lovely park we are fortunate to have nearby. Will this affect property prices. I very strongly oppose this plan.</p> |

Kind regards
