Reasons for comment:	
Comments:	This building cannot be turned into a McDonald's being located so close to a secondary school. This will become an epicentre of unhealthy food decisions by children walking to and from school, and a source of antisocial behaviour. Being located near a family park, the constant smell of fast food will be constant and again, be a source of bad food choices for young people. We already have a wealth of fast food options in the town centre with Burger King, McDonald's, Greggs, why can't people of Gravesend have good food options are we not worth it? Tired of bad decisions being made for the people of gravesham. Also McDonald's are not usually located so close to residential areas, due to noise, lightening etc. please can a better option be considered, for family dining?

Kind regards
