Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support this restaurant. Providing they think about the roads around the area to ensure it doesn't become gridlocked as this would have a detrimental effect to the area with traffic build up without prior consideration. It could also attribute towards traffic heading towards the A2 with connections to two main routes to enter the slip roads.

Kind regards
