Reasons for comment:

Comments: The rubbish. Noise, traffic congestion also health of the local school children. The main road is very heavily congested as it is now without extra.
What will become of the main town just another empty building.
We need doctors/ community hub there not large businesses just to make more money
Do we really need another fast food outlet.
The Ascot Arms has been changed into a retirement home which has been very well built and not an eyesore, we could have retirement flats which would look out onto the park also a medical/ community hub

Kind regards
