Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am opposed to this historic building becoming a drive in fast food restaurant, or any chain fast food restaurant. It will have a negative impact both visually (out of keeping with being the prettiest part of this busy residential main road and environmentally. Rubbish dumping in the Woodlands Park is already an observable problem and this will likely get much worse with the amount of rubbish generated by the fast food packaging. The road is on a major school route as very close to an all-through school. The location will put pupils at higher risk of obesity and other health risks. It may create further traffic problems on an already problematic part of the road. It may also have a negative impact on the local wildlife at the park.

Kind regards
