Reasons for comment:	
Comments:	I believe Meopham has a big enough problem with traffic at present without causing more. I live in Melliker Lane and it is a small lane but used as a constant fast cut through for access to the schools, purely because the traffic on a wet morning queues down past Hook Green with a 15-20 minute wait. It is impossible to leave home to go towards Culverstone until 9am. Building hundreds more homes is going to turn Meopham into a town and i came to live here as i wanted to live in a village.

Kind regards
