Reasons for comment:	
Comments:	The Woodlands is an attractive building in a very convenient place at the edge of a very popular park. It has been a very happy place to entertain and to enjoy relaxation at lunch time and in the evening. It was a real asset to the local community. McDonalds usually features fast food, which will entail fast turn around traffic. Local traffic is already very heavy. The additional traffic is bound to add to current challenges and present risks to primary and secondary school children attending St George's school. As a local resident, I can see no benefits to the community and significant disruption to local lives. I would ask you to reject this application.

Kind regards
