Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I live within gravesend and I cannot believe another McDonald's has been permitted. We have two already, one within Asda, town centre. Is this really what we should be bringing to a community that already is packed full of awful takeaways. How awful to put this in front of a park and school. Not to mention to add to the already heavy traffic on Wrotham Road. This will encourage further teenage meet ups and encourage anti social behaviour which are often seen around these types of chains. Really disappointing. The environmental impact, health impact, antisocial behaviour impact. How can this be justified? Just feels like money was more important than what was better for an inclusive and safe community. Rethink. Seriously, rethink

Kind regards
