Reasons for comment:	
Comments:	Dear whoever it may concern, I am writing to object to the proposed construction of a McDonald's in Gravesend. Establishing another fast-food restaurant would promote an unhealthy eating habit, this would also contribute to giving Gravesend a poor reputation. I believe that Gravesend already has a sufficient number of fast-food areas, (Burger king, KFC, Subway, Starbucks etc.) and that we should instead consider more practical changes for our community. For example, introducing a Waterstones bookshop would encourage reading and support education, which would be a far more positive addition to Gravesend. I am a student, but as someone who has a passion for reading I know that Gravesend needs changes with it's choice of shops, opening an waterstones book shop would be the perfect option as it would attract many readers and would make lots of money. I hope you will take my suggestion into consideration, thank you for taking your time to read my opinions.

Kind regards
