Reasons for comment:	
Comments:	I would like to offer my objection to this application on numerous grounds : In my opinion it would appear that the applicant seems to assume this will be passed as they have been working on the sight for several months . The infrastructure of the surrounding area is not suitable for this type of business, ie Wrotham road , being the main connection between the A2 and town is often gridlocked in this area . The proximity to local schools , 6 within approximately 700metres. Undoubtedly this will cause extra litter in the area , which the council cannot currently control ,necessitating local voluntary litter pickers to try and keep the area clean on a regular basis. The high risk of increased anti social behaviour and more missuse of Woodlands park especially during hours of darkness.

Kind regards
