Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Id like to object to the application. This will have an enormous impact on our community such disruption on the countryside, the animals our heritage. The area of meopham is already extremely busy with two 3 primary schools and a secondary school we do not need anymore there is not a demand. This is pure greed.

Kind regards
