| Comments:            | I object because of the Impact on residents in the surrounding area its a horrific amount of homes there will be increased noise, Traffic generation, road safety, and parking issues. over populating the area. The scale of the proposed is ridiculous theres no consideration to the countryside and once they are built theres no going back! Theres no need for all these homes! we cannot un do the build what about the stress on drainage and sewage Broader environmental concerns like pollution or biodiversity. Compliance with relevant local and national planning policies. |
