Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Personally, I don't think the fast food restaurant should be built in this space, it's far too close to schools which would promote unhealthy eating, it would lead to an increase in litter and rubbish being strewn everywhere which would impact the environment and wildlife. It would cause unneeded gatherings and anti social behaviour for neighbours making it unsafe and loud. The space should be allocated to something better and more safe.

Kind regards
