Reasons for comment:	
Comments:	Dear Sir/Madam

We note there are overhead cables with poles on the site running within close proximity to the proposed development. Prior to commencement of work accurate records should be obtained from our Plan Provision Department at UK Power Networks, Fore Hamlet, Ipswich, IP3 8AA.

In the instance of overhead cables within the vicinity, GS6 (Advice on working near overhead powerlines) and a safety visit is required by UK Power Networks. Information and applications regarding GS6 can be found on our website <https://www.ukpowernetworks.co.uk/safety-equipment/power-lines/working-near-power-lines/advice-on-working-near-overhead-power-lines-gs6#Apply>

Should any diversion works be necessary because of the development then enquiries should be made to our Customer Connections department. The address is UK Power Networks, Metropolitan house, Darkes Lane, Potters Bar, Herts, EN6 1AG.

You can also find support and application forms on our website [Moving electricity supplies or equipment | UK Power Networks](#)

Regards
Kristina Green

Kind regards
