Reasons for comment:	
Comments:	As a resident of this area for over 40 years, I fully support the proposed change of use from the pub next to my street into a local mosque. This would provide a valuable place of worship and community support for local Muslim families, many of whom already live in the neighbourhood. Rather than letting the building sit empty or fall into disrepair, this change would bring life back into the space and help strengthen our diverse community. It's a positive step that reflects the needs of the people who live here and will benefit the area as a whole.

Kind regards
