Reasons for comment:	
Comments:	Good afternoon, This project is extremely important to the Muslim community in Gravesend as the diversity within Gravesend increases as is the Muslim population. As a result of this the current facilities are becoming overpopulated leading to people praying outside during our weekly Friday prayers. This project will relieve pressures at the current mosques and spread the Muslim community across. There are a lot of issues with overloading the mosques to the surrounding community the major one being parking. As a result of this overload it has led to many parking disruptions to neighbours around the mosque and lots of traffic due to lack of control. In turn it would favour the community as a whole for the project to be approved.

Kind regards
