Reasons for comment:	
Comments:	I strongly object to this proposal. The council need to protect and preserve the integrity of villages like Meopham. An influx of housing to the area will cause no end of problems, Meopham does not have the infrastructure to support this. Doctors, schools, amenities are already stretched and wouldn't cope with any more. Furthermore to enhance the infrastructure would diminish what meopham is, a village. One final reason to object to housing development is the ecosystem of wildlife. many species are already suffering. Again, an influx of housing would only further damage these pockets of wildlife and we have a responsibility to protect them the best way we can. I implore you to reconsider this proposal.

Kind regards
