Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object this planning application, due to the nature of the business that is currently operating out of the old nursery site. There are many HGV's already using this site and the single lane roads around it. These roads were not built for this type of vehicle. My fear is that if planning permission is granted the volume of HGV's using these tiny roads will increase. My other MAJOR concern is that this site is totally out of place in a rural setting such a Stoney Corner, The noise, the disruption to both wildlife and residents is unacceptable in every way. The area is used by many walkers and horse riders, due to the large amount of stables in the area. The small lanes are also used by parents walking their young children to the near by primary school, This is really a fatal accident waiting to happen.

Kind regards
