Dear Sirs

Re Knights Place Farm, Watling Street, Cobham, Gravesend
Siting of a Forestry Building within existing woodyard, and
use of land for general storage (B8) on land to the south of
Knights Place Farm, and continued use of yard 3 for Class B
(retrospective) Ref: GR/2026/0945

The Society would wish to raise an objection on the grounds that the site is in an area where Green Belt Policies apply and the North Downs National Landscape. This is a relatively recent development in this area of woodland and the connection of the structure to forestry is not apparent. The use of the site for general storage with eleven freight containers is inappropriate.

Yours faithfully

Mrs P Lippiatt
Hon. Secretary
