Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	The architect's plans for the proposed extension to number 30 do not show any measurements and I therefore do not know how this will affect me. I need to know how close this will extend as it could affect the foundations of my property. Also on some of the plans [REDACTED] is numbered incorrectly as 34 instead of [REDACTED]

Kind regards
