Thank you for consulting us on this application,

I have reviewed the submitted evaluation report (CAT August 2026) and can confirm acceptance of the report. I have also reviewed the proposed area of excavation and can confirm acceptance of this. I would therefore recommend the partial discharge of condition no.6 (archaeology). The partial discharge of this condition would be or part (a) of the condition 6.

I would be happy to discuss this further if helpful

Best regards
Jacob
