Reasons for comment:	
Comments:	If GBC let this go ahead it just proves they have no respect or concern for local community. The noise pollution of cars and delivery bikes let alone the customers. The smell of burger and chips and the lights it will be complete opposite to the family restaurant it was. There's schools and children's play area next door. As for traffic Wrotham Road is extremely busy all hours and does not need extra plus the run for police ambulance and fire service. A McDonald's would be the biggest mistake ever made. Please do not let this go ahead, a proper family sit down restaurant like the woodlands was, yes, but definitely not a fast food chain we already have two in Gravesend. This must be stopped

Kind regards
