Reasons for comment:

Comments: This building is opposite my parents home and conversion to a McDonalds would cause untold damage to the local woodlands community. The conversion will bring down house prices in the local area, create tonnes of litter in the park next door, potentially cause a rise in crime and gang related issues, as well as increase traffic on an already extremely busy road. In addition, a fast food restaurant so close to local primary and secondary schools will encourage poor eating habits in children. Finally the current building is old and full of character, but this will be ruined by modernisation, new extensions and vulgar "Golden Arches". Do not allow this to go ahead, Gravesend does not need another McDonalds less than a mile from the current one.

Kind regards
