Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The village is about to lose its doctor's surgery and the primary school is already fully subscribed. Traffic coming through the village is at an all-time high with just one main road taking everything through the same way. The village already cannot provide adequate services to the people it homes, another 59 families would stretch and already struggling infrastructure.

Kind regards
