Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to the application to build 50 houses in Higham. People move to the countryside to enjoy the open spaces - the country walks and the views. This would be spoilt with the extra houses on the land. Also there is no doctors surgery in Higham now - we have to wait weeks to get a doctors appointment as it is, so the extra increase in people living here would make it even more difficult. The addition of these houses would also increase the number of cars going through the village which is already a big problem.

Kind regards
