Reasons for comment:

Comments: There are already two McDonald's outlets in Gravesend, no need for a third. This is a main road in and out of Gravesend and this road has constant traffic which will become worse with a fast food outlet. It is not fair on the people who live on this road and surrounding roads. The town centre is a more appropriate place for this type of outlet and there are plenty of empty premises more suitable. Food outlets are struggling already, why is another one being allowed. Please reconsider.

Kind regards
