Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	A disappointing application for a building that could be put to good use for the community. There are plenty of fast food options available on Perry Street and in the town centre, another McDonalds will inevitably negatively impact small businesses in the area. The traffic, lorries and cars it will attract will cause huge congestion for the main road and surrounding roads. This type of fast food restaurant in this area will only negatively impact the community and the environment - I can't see any positives to this application.

Kind regards
