Dear Sirs

Re 2 Bunny Hill, Tanyard Hill, Shorne, Gravesend, DA12 3EP
Erection of a ground floor single storey wraparound extension,
floor plan redesign and all associated works.
Reference: GR/2023/1248

With reference to the above planning application the Society would like to comment that the original building had some symmetry and there may be some merit in attempting to retain this in the interest of the street scene.

Yours faithfully,

Mrs P A Lippiatt
Hon. Secretary
