

A diagram of a 10m bridge divided into 10 equal segments, each 1m long. The segments are numbered 0 to 9 from left to right. There are 9 supports located at the boundaries between segments, numbered 1 to 9. A red double-headed arrow at the bottom indicates the total length of the bridge is 9.99 m.

|                                                                                                                                                                                                                                                                                                                                                                               |          |  |
