Dear Sir/Madam,

County of Kent Act 1981 Section 53
Re: 11 - 13 Queen Street, Gravesend, Kent, DA12 2EQ

Thank you for your letter dated 5 February 2024 with regards application number 20240019-SCON3.

I can confirm that it appears on initial inspection that the access requirements for the Fire and Rescue Service have been met. Please be aware that should this proposal be successful it would then be subject to a Building Regulations consultation where the access arrangements would again be examined under section B5.

Fire Service access and facility provisions are a requirement under B5 of the Building Regulations 2010 and must be complied with to the satisfaction of the Building Control Authority. A full plans submission should be made to the relevant building control body who have a statutory obligation to consult with the Fire and Rescue Service.

If you require any further advice please contact this office using the details above. Please be aware that the Building Safety office hours are 09:00-17:00 Monday to Friday.

Yours faithfully,

Derek Patey MIFireE
