Reasons for comment:	
Comments:	<p>350 houses could equal around the same number of cars. Parking is already a massive problem in the area. This development will make it more unsafe for drivers and pedestrians especially near the Parade of Shops. The dangers are exacerbated by the fact there is a Primary School nearby. There are lots of very young children and the peak hours of around 8.30 a.m. and early afternoon will be a nightmare.</p> <p>Already the Meopham Health Centre is overstretched. Such a huge development is likely to push it very close to or even beyond its tipping point.</p>

Kind regards
