## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This road already suffers traffic issues. Cars park all along the road all day. Road use increases horrendously at school times causing traffic jams and extra pollution. Another 240 cars minimum will make this area a huge accident black spot and means the area becomes dangerous for all involved. Our GP Surgery cannot cope with the current level of patients further strain will mean things get missed and people will not get the care they need.

Kind regards
