Reasons for comment:	
Comments:	<p>I live on the Longfield road, and would be close to the development. The access road applied for, onto the Longfield road, would severely impact the already extremely busy situation. Parking is already dreadful and to add the possibility of another 200 extra cars, is unthinkable. Putting all this next to a Special Needs school, is not only thoughtless, but could impact on the welfare of the children involved. This land needs to be saved as a green space for the enjoyment of the people of Meopham and as a calm buffer zone for the children. Meopham is already choked with cars, it does not need any more. Also, where are the services for these people? They would need schools, medical facilities etc. We are already overstretched.</p>

Kind regards
