### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>Dear Sir,</p> <p>I object to this proposal as this area is already heavily congested with traffic, as is the whole of the A227 through Meopham.</p> <p>There is also the loss of agricultural land, more people and less ability to produce food will never work.</p> <p>Many of these houses would not be for local people. Most likely bought up by London Boroughs or Councils looking for somewhere to put their excess population. these people will form a separate community and not easily integrate.</p>
