Reasons for comment:	
Comments:	<p>Dear Sir,</p> <p>That this proposal is even being considered defies logic.</p> <p>350 families with the associated vehicular movements is just going to ensure that area grinds to a halt for much of the day!</p> <p>Meopham is not a London suburb, and we do not want it to become like one.</p> <p>You only have to look at somewhere like Thamesmead to see what happens when an area is flooded with too many houses, total gridlock unless you travel before 5am or after about 8pm.</p> <p>That is apart from the obvious objections of loss of food producing land, loss of wildlife habitat etc. Need I go on!!!</p>

Kind regards
