Reasons for comment:

Comments:	<p>Having recently moved into the area to retire in a semi rural setting having lived in [REDACTED] I was very disappointed to learn of this proposed development on Green belt land.</p> <p>I'm already surprised at the amount of traffic using the A227, particularly as a cut through between the A2 and M20 and this proposed housing estate will make the situation worse, especially with the prospect of the new lower Thames crossing at Gravesend. The road is very narrow in places and there are always lines of parked cars outside the schools at drop off and pick up time making access very difficult and dangerous.</p> <p>Also with potentially an extra 1000 residents in the area, the strain on the local GP surgery will be immense.</p> <p>What with the overall impact on the community and losing valuable farmland, I strongly object to the development.</p>
