| Commenter Type:      | Neighbour                                                                                                                                                                                                                                |
| Stance:              | Customer objects to the Planning Application                                                                                                                                                                                             |
| Reasons for comment: |                                                                                                                                                                                                                                          |
| Comments:            | At the moment the lower ground floor in Stephenson house is used for a car park and the bin shed. Please could you advise where the residents will park and where their bins will be stored if this space is made into residential units |

Kind regards
