Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	I would want to see the drawings and details to make full comment. At the moment my concern is for adequate parking provision to be provided. 4new homes could bring 8 cars or vans and we barley have room to park on street now. I would also want to see daylight studies to ensure light is not blocked or that we get too overlooked.

Kind regards
