Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments: We received your letter regarding the above application. The outdoor gym has already been erected and the cladding is bright white which reflect light. It is above the fence height and is a rather large construction and we estimate the height is above 10 foot as it is way above [REDACTED] We have not met the young couple living in the house now but were surprised to see the buidling being erected before November. Other neighbours have also asked what the building is for as it comes with guttering and outside lights.

[REDACTED] To our knowledge the building is already in use.

Kind regards
