Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object to this, when planning was granted (on appeal) for the conversion from pub to place of worship, there was supposed to be a limited amount of people that use the space. However, over the years this number has been gradually increasing, with an extension there will be a higher capacity for additional people to use the facilities which puts additional pressure on the local roads due to the number of cars. Particularly on a Friday!

Kind regards
