Reasons for comment:	
Comments:	The traffic in Meopham at busy times of the day is already bad enough. The additional cars the proposed housing will bring, will exacerbate the traffic issue. Already Longfield Road from Meopham to Longfield is horrendous during peak times but this will add to congestion and pollution for existing residents. There is not the infrastructure locally to be able to take additional families on at doctors, dentists, schools and other services. Using agricultural land will destroy the habitats of existing wildlife, which we need to protect.

Kind regards
