Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: I support this application. Due to the actions of one resident couple, notorious in the area for bullying and intimidating local businesses and residents, constantly forcing their opinions on everyone. Their behavior has pressured the council into imposing unnecessary restrictions on genuine local community shops, leading to a hostile environment. As a result, some businesses have been forced to close under the weight of their harassment and undue influence. It is vital to protect and support the local businesses that truly serve our local community.

Kind regards
