Reasons for comment:

Comments: As a fellow business owner and neighbour, I strongly support this planning application for their delivery service. It is rare to see a takeaway business operate without delivery, and it feels unfair to impose this restriction on a small, family-run operation. They have gone above and beyond by investing in sustainable cycle parking for their customers, something no other business around here has done. Additionally, I regularly see the owner personally litter-picking across the entire shopping center, showing their dedication to keeping the area clean. These are exactly the type of business owners Gravesham Borough Council should be proud of -encouraging their growth and further investment in the ward.

Kind regards
