Subject: Re: 20211334 - The Barn, Jeskyns Road

Good Morning Richard,

Thank you for your email, I have since spoken to our client and can confirm that this application is to be withdrawn.

With regards to moving forward...

- We will submit a full application early in the new year, following the 21 day consultation period, we hope to have a decision by late January.
- We have the drawings for the barn so this will be included within the application. It will be used for residential storage - i.e. bikes, garden equipment etc

We previously submitted a full application that got refused in September (20210865). We assume we can resubmit utilising this full application with no planning fee required? Please confirm.

I look forward to hearing from you.

Kind regards,

Joe Manuel ARB RIBA
