Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object as this area is choked up with cars as it is, especially when the A2 goes down we become a cut through for all the traffic, adding more houses will add to the congestion. Also the Drs are struggling with the patients that it already has on its books adding more houses and more patients will make it impossible to be seen by a Dr it can already take 2 weeks as it is to get an appt

Kind regards
