Reasons for comment:

Comments:	<p>Infrastructure</p> <p>Access roads are all dangerous and feed into the A227 which is constantly running slowly and stopped- closures or problems on the A2 and M20 result in the A227 becoming very busy- icy weather on the Wrotham Hill causes blockages- frequent problems with aging gas and water pipes cause huge delays.</p> <p>The A227 has two busy schools that directly feed onto it.</p> <p>Overdevelopment is bound to lead to even further delays.</p> <p>Local GP practices are already struggling to cope with patient numbers</p> <p>Darent valley Hospital is at capacity</p> <p>The secondary schools are at capacity - not just in Meopham but on both ends of the A227.</p> <p>Meopham is a Green Belt area</p> <p>The farmland in the area is important for future generations as well as for maintaining the open character, preserving the natural environment, and unique historic nature of a village that dates back to before the Domesday Book and William the Conqueror!</p> <p>The Green Belt is important for draining flood water by absorbing run off</p> <p>Green Belt is a Carbon sump.</p> <p>The Green Belt acts as a natural break between urban and rural areas.</p> <p>This area is particularly home to all sorts of eco-systems and wildlife and removal of hedges and trees would even further damage the balance of the ecology.</p> <p>Pollution</p> <p>Additional housing will contribute to air and light pollution in an area of outstanding beauty</p>
