Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application. The location of the site is inappropriate for this type of development, being green belt land on a single track tree lined road, many of which have been destroyed/damaged by large mobile homes being driven onto the site. In the last 3 weeks alone 4 new mobile homes been delivered, completely blocking access along Whitepost Lane, sometimes for hours on end. Chainsaws have frequently been used to cut down trees and branches, but as it is impossible to get video evidence this continues to happen. It is clear what is happening here and the local community have valid concerns about the eventual size of this traveller site.

Kind regards
