## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We must protect our green belt and our wildlife The green belt is our carbon sump, absorbs the flooding and there are no exceptional circumstances to build on our green belt. Traffic is at capacity so is our GP surgery, the schools and the shopping areas and there is a huge pollution risk. The road access to the planned development is dangerous considering school proximity.

Kind regards
